As a reminder, Greg Valentine needs a prescreening exam from the FOH Clinic prior to his deployment. All other personnel listed below (Mike Tillman, Mitty (Leslye) Mohon, and Tony Loston) have all been cleared by the H&S Office.

**Subject:** landfill surveys in corpus

Susan,

Per today's request for EPA to conduct landfill surveys in both Houston and Corpus....

We were able to pull 4 people from Houston Bravo branch's DW & WW Teams to accommodate the ask in Houston.

It is not a problem and won't impact our work there.

For the Corpus location, .... the following people were next on the list for water /wastewater field deployment, but have not been called.

Greg Valentine

Mike Tillman

Mitty (Leslye) Mohon

Tony Loston

Please let me know if REOC plans to mobilize them for the landfill surveys. Their supervisors had cleared them a couple of weeks ago, I just want to make sure they are in the loop.

Thank you.
